EHDN and MDS-ES Fellowship Programme in Huntington's Disease 2027

In collaboration with the International Parkinson and Movement Disorder Society's European Section (MDS-ES) EHDN will be awarding **SIX clinical fellowship assistance grants** of €2500 plus travel expenses (up to a max. of 1500€*) for applicants to visit an **EHDN or MDS-ES centre with HD expertise in Europe**.

The objective is to provide fellows with experience in a variety of different aspects of HD, within a multi-disciplinary clinic and in particular, **clinical care**. The placement will be for a period of 6 weeks (5 days/wk) to visit as an observer.

Priority will be given to applicants from underserved HD regions. Applications should clearly justify the need, either in relation to overall HD care or to specific aspects of HD care.

The programme aims at improving HD family care and supporting collaborations, especially for those coming from countries/regions where HD facilities or a specific aspect of HD care can be improved.

TARGET GROUP

- Neurologists
- Psychiatrists
- Psychologists
- Physiotherapists
- Clinical Geneticists
- Other HD clinical professionals

ELIGIBILITY

The applicant must be:

- Under the age of 40, or less than five years since the award of their final professional qualification.
- A Board-Certified Neurologist/Psychiatrist/Physiotherapist/Psychologist/Clinical Geneticist, or in the last year of training for Board Certification.
- Fluent in English or in the local language of a preferred host country.

Note: Awardees from previous years will not be eligible to re-apply.

**Travel costs are based on economy travel. If expected travel costs exceed the maximum reimbursement amount, applicants can submit their total expenditures for prior approval (in advance of incurring costs). Full coverage of travel costs can be granted in exceptional cases.*

This programme is made possible through the generous support of CHDI Foundation, Inc.

HOST INSTITUTION:

EHDN will assist fellows who were successfully evaluated with the initial matching of a host clinic. Fellows may provide information on the type of experience they wish to gain in HD and also if they have a preferred clinic or country together with their reasons for this and their knowledge of the local language.

Final decision about the host clinic will be in consultation with EHDN/MDS.

The Host Institution will normally:

- Be in an EHDN or MDS-ES region in Europe
- Have a department or clinic (out-or-in patient) dedicated to HD, with opportunity for a fellow to observe a variety of HD patients in a 6-week period
- Be a centre with clinical and scientific competence in HD
- Have established an interdisciplinary team for HD care, i.e. Neurologist, Psychologist, Clinical genetics, Psychiatrist. One of the team needs to be assigned as supervisor to the fellow.
- Have access to co-therapeutic medical care services (physiotherapy, occupational therapy, dietician, speech therapist)

At the application stage, fellows do not need to make contact with a clinic. Your application will be evaluated based on the information provided in the application form.

Once a successful fellow has been informed of the result and introduced/given a contact for a clinic, it is then his/her responsibility to follow on directly with the host to set up the hosting arrangement. The agreed date of the placement (within 2027) should be sent to EHDN (fellowship@ehdn.org). It is the responsibility of the applicant to verify that they are eligible to enter the chosen country in order to pursue the Fellowship, and to provide all necessary documentation to the host institution in order that honorary or observer contracts can be issued prior to the Fellowship.

EHDN or MDS-ES cannot assist with visa applications, but EHDN can provide a confirmation letter of the fellowship if needed. In the case of a positive evaluation, it is the responsibility of the candidate to arrange his/her travel and accommodation and to ensure good communication with the host and EHDN.

Application Procedure

The application form should be completed online, in English only and submitted by the deadline as below. Only information included in the application form will be evaluated. The Curriculum Vitae and other documents are requested for additional background information.

Any questions arising before/during the application procedure should be emailed to fellowship@ehdn.org

Application Timeline

Applications for a fellowship in 2027 must be submitted online no later than **Monday, 16th November 2026, 12.00 CET (noon)**. Incomplete or late applications will not be accepted for evaluation. If there are any outstanding questions these should be clarified before the application deadline fellowship@ehdn.org.

The evaluation process will be completed, and all applicants will be informed of the results in February 2027.

Final Report

Fellowship grant recipients are expected to complete an online final report no later than **one month** after completion of the Fellowship. Applicants will also be requested to upload photos from the fellowship experience that may be used for communicational purposes and may also be asked to participate in promotional activities for future programmes. e.g. provide information for newsletter, short video clip, etc. A short report will also be requested from the host institution after the fellowship.

Accommodation/Living Costs and Travel Reimbursement

Successfully placed applicants will receive an upfront payment of 2500 € to support accommodation and living expenses for six weeks.

Travel expenses to successful applicants will be reimbursed up to a max. of 1500€* (economy travel).

To receive the accommodation and living funds, the period for the fellowship needs to be confirmed by the host via mail. The fellow needs to provide additional information about "Fellowship payment modality and Photo release" as requested by the Fellowship team.

The final reimbursement will be based on the following documents

- EHDN approved final Fellowship report
- breakdown of costs
- scans of all original travel receipts.
